PDF Printing Instructions

1. Once you have downloaded this pattern, save it to your device and make a back up of it.
2. Be sure to set your scaling to 'Actual Size' or 'Custom Scale 100%'. Print a test page of page 1, check the 1" square to ensure your patterns are printing out the correct size.
3. This pattern includes layered pattern tiles that allow you to choose only the sizes that you wish to print. In Acrobat Reader, click on the layers icon while the file is open. Click the eyeball to turn size layers on or off. The last layer will remain checked permanently.

Sewing

1. Cut shape from desired fabric
2. To hold the cut shape onto your base these are just some of the products you could use:

Pin
Spray adhesive
Lightweight heat and bond
Vliesofix

3. Next pick the stitch that will give you the look you are after:

Blanket stitch by hand.
Machine blanket stitch
Zig Zag.
